

REGISTRATION & CREDENTIALS

Exhibitor Credentials

EXHIBITOR CREDENTIALS

EXHIBITOR SHOW CREDENTIALS ARE DIGITAL!

For your convenience and safety NMMA has transitioned to a contactless digital exhibitor credential.

You will not have access to order credentials until you provide a Certificate of Insurance that meets NMMA's requirements. Please log in to your Exhibitor Portal to upload your COI and register for credentials.

- Credential allotment is determined by your company's total square footage of contracted exhibit space.
- Credentials will be emailed when your contracted space balance is paid in full.
- Credentials are emailed **2 weeks prior** to opening day.

New Admittance Protocols

You will be required to show your exhibitor credential on your mobile device each time you enter the show floor.

Benefits of this system:

- Streamlines entry to the show as you will not be required to present a photo ID.
- Ensures your identity cannot be used by someone else.
- Only allows authorized personnel access to the show floor outside of operating hours.
If you have any questions, please contact Monica Puentes at mpuentes@nmma.org

Trade Credentials

A Trade Credential may be obtained by anyone in the Marine Industry attending the show (non-exhibitors). A Trade Badge allows entry into all NMMA consumer shows. Trade Credential fees

Members: Complimentary when ordered August 1–November 15, 2024.

After November 15, 2024—\$50.00

Non-Members: Early renewal August 1–November 15, 2024—\$50.00

After November 15, 2024—\$75.00

On-line registration is the quickest and most convenient way to acquire trade credentials. Please email traderegistration@nmma.org for your unique link to register for your trade badge.

******A Trade Credential will allow you access into the Norwalk Show however, you will be asked to present ID verifying the name on the Credential upon entry if there is no photo in the credential******
